

## WHY WE ARE OFFERING THE DOLORES BATENHORST KEATING SCHOLARSHIP

West Holt Medical Services Foundation began managing a memorial fund in 2010 established in the memory of Dolores Batenhorst Keating, one of Atkinson's most caring residents. Dolores was born in Stuart, graduated from Stuart High School and lived her entire adult life in Atkinson.

She worked for over 25 years as a Registered Nurse at West Holt Memorial Hospital. Dolores was married to John Keating for 56 years. They had eight children, Mary Rose Schaaf, Maureen Tsuchiya, Phillip Keating, Mark Keating, Patrick Keating, James Keating, Matthew Keating and Gerard Keating.

Dolores Keating was a strong supporter of local, high-quality medical care, and her family is honoring her memory by encouraging local students to help fulfill her dream by pursuing a medical degree.

The memorial fund, with generous contributions from both the family and Dolores's many friends, is managed by the West Holt Medical Services Foundation. Each year one hundred percent of the annual earnings from the invested fund will be utilized to provide three scholarships of \$1,000 each to residents of Holt County pursuing a degree in the medical field, for an initial total of \$3,000 per year.

The Keating family will subsidize the scholarship until the memorial fund is self-supporting and the family has set a goal to grow the memorial fund to \$100,000 with the support of the community that knew and loved Dolores for many years. They are challenging those with a dream for local healthcare to contribute to this fund and help Holt County retain its current healthcare services, grow new services, and keep local medical talent here at home.
